WOOD COUNTY  
ECONOMIC DEVELOPMENT

## WHAT DO WE DO?

The Wood County Economic Development office is a non-profit organization dedicated to recruiting new businesses to the Wood County area as well as working with existing businesses to grow here and stay here. Whether you're looking for a new property, need to know about available loan or grant programs, or simply need help with things like social media or a business plan, our office is an information resource to you.

## OUR TEAM

The WCED office is a team of two, Lindsey and Kate. Lindsey Piersol, Executive Director of Economic Development, joined the office in 2016 and has been vital in helping Wood County grow and thrive as we move forward into the future. Lindsey works closely with Kate Baker, Economic Development Specialist, who only recently joined the office, but has quickly become an asset to the team.

## A WORD FROM EXECUTIVE DIRECTOR LINDSEY

First, let me start by welcoming you to Wood County, West Virginia! When I moved to West Virginia from Columbus, Ohio in 2016, I was unaware of some of the great local offerings and services that can be found so close to home.

On March 7, 2016, I took over as the Executive Director of the Wood County Economic Development office. Our office's mission is to foster a strong economic environment which supports business, nurtures growth and new investment while attracting sustainable businesses and a quality labor force to our communities. The organization will promote and facilitate economic diversity, development and entrepreneurship within our community.

Economic development focuses on many things—one being quality of life. Our office created this welcome packet as a way to help newcomers or those finding their way back home to feel comfortable in their new surroundings. We want you to find it easy and enjoyable to live, work and play in Wood County.

If there is ever a way that our office can help you, please do not hesitate to contact me directly by phone or email.

# DOWNTOWN PKB

## WHAT DO WE DO?

Downtown PKB is non-profit organization created to promote downtown Parkersburg, foster economic opportunity and create community vitality. The goal is to create a vibrant commercial district that will provide downtown businesses, workers and nearby residents with the goods and services they need, as well as create educational, entertainment and tourism opportunities.

## A WORD FROM EXECUTIVE DIRECTOR WENDY

Over the course of the past five years, downtown Parkersburg has been reinventing itself with the help of Downtown PKB. I am proud of the growth that our organization has also experienced. Downtown PKB, a Main Street Community, has blossomed with the addition of a full-time events and marketing manager joining the organization. The addition of this position has afforded our organization additional capacity to manage the 9 events we coordinate here in downtown while allowing me more time to carry out our other initiatives set forth in our strategic plan for downtown revitalization.

The first Saturday following Memorial Day kicks off our event season each year with the Taste of Parkersburg, our signature wine, beer and food tasting event. The Taste of Parkersburg draws crowds from all over the area to Bicentennial Park for an evening of fun and entertainment with friends.

The summer months also offer the community the ability to enjoy free concerts on the river during Downtown PKB's Concerts on the River at Point Park. Held the first Friday of the month from June through September, our summer concert series comes alive with various tribute bands entertaining fans both at Point Park and boaters on the Ohio River.

As we continue to improve the landscape of downtown, with the addition of decorative pole banners on Market Street, selfie stations throughout downtown, gateway banners on Chapman Printing and Wesbanco and our beautification efforts, the economic redevelopment opportunities also continue to flourish. In addition, 27 new businesses opened in downtown in 2018 and many are on the horizon for redevelopment and reinvestment.

If you want to learn more about Downtown PKB, our events, volunteer opportunities or how you can get involved, visit our website at [downtownpkb.com](http://downtownpkb.com).

Since then Wendy has played a vital part in the emerging Downtown Parkersburg scene. Jessica Strickler recently joined Downtown PKB as the Events and Marketing Manager and has become an extremely valuable part of the team in a short amount of time.

# WV VEHICLE INSPECTIONS

---

West Virginia requires a routine safety inspection on every vehicle every twelve (12) months. Vehicles may be inspected at any official inspection station licensed by the West Virginia State Police. When a vehicle passes the inspection, a sticker valid for twelve (12) months will be placed on the inside of the windshield. It is illegal to drive a vehicle without a valid inspection sticker.

## HOW LONG DO YOU HAVE TO OBTAIN AN INSPECTION

New residents have 10 days from the date they title a vehicle to have a West Virginia inspection. This also includes the purchase of vehicles out of state. West Virginia has reciprocity with Louisiana, Mississippi, Missouri, New Hampshire, New York, Oklahoma, Texas, Utah and Wyoming. Therefore, out-of-state inspection stickers from these states are valid in West Virginia until expiration.

Any vehicle purchased or otherwise acquired within West Virginia not having a valid inspection sticker must be inspected within three days.

## WHAT YOU NEED TO OBTAIN AN INSPECTION

You must have a valid registration card and a current certificate of insurance in the vehicle at the time of inspection.

## COST OF THE INSPECTIONS

A fee of no more than \$14.65 sales tax may be charged for an inspection and the issuance of the certificate of inspection. (\$11 labor plus sales tax for labor, + \$3 for certificate.)

## INSPECTION FAILURES

Any vehicle which fails to meet the requirements for approval will be issued a rejection sticker by the inspector mechanic. Such rejections will be recorded on the MVI-5 (log sheet) or MVI-5A. IMPORTANT—Only one (1) rejection sticker can be issued to a vehicle no matter how many stations inspect a vehicle. If a station has issued a rejection sticker to a vehicle, and the vehicle is taken to another station for inspection, the rejection sticker will be removed only if the vehicle passes inspection.
